

## HOW ELECTIVES CAN HELP YOU

*You have a few decisions about electives courses that require some thoughtful planning. When selecting these courses, it is a good idea for you to consider the reasons behind your choices and how they fit into your long-term goals. After viewing the video How Electives Can Help You, complete the organizer below and add it to your portfolio. Don't forget the Own It! section below.*

### OWN IT!

How will your electives choices help you in high school?
